

GR Forward Update #74

September 11, 2015 Filed under GR Forward

Downtown Grand Rapids Inc. Planning Manager Tim Kelly emails a weekly GR Forward update to the project Steering Committee. Here's this week's communication:

Happy Friday Everyone:

This was another exciting week for GR Forward.

On Tuesday we kicked off our final round of neighborhood meetings, meeting with the Neighbors of Belknap Lookout. Next week we will continue those efforts meeting with Heritage Hill on Thursday at 5:30p at the Cornerstone Church located at 48 Lafayette Street SE. Hope to see some (or all!) of you there.

In addition to the neighborhood engagement, we also meet with the Downtown Development Authority, Grand Valley State Administrators, and the City of Grand Rapids Parking Commission. As always, if you have additional ideas for organizations we can meet with, please let me know. For reference, I have included an overview of the full engagement schedule at the end of this email. If for some reason you are not able to make it to one of the meetings listed, remember you can always stop in to any one the of the public library branches or the Downtown Grand Rapids Inc. office at 29 Pearl Street NW to review the plan and provide your input. You can also do so at the [Downtown Grand Rapids Inc.](#) or [GR Forward](#) websites.
